Snowbuster’s Swap Meet 2019
This Year’s Date - 2/20/2020

BY GARY SWIATOWY
HAMBURG, NY

Super Bowl Sunday, and the Patriots were in it again! Instead of preparing to watch the “Big Game” (ho hum), it’s a perfect way to start the day by attending the Model A Restorers Club’s annual “Snowbusters Swap Meet” at the Hamburg Event Center.

I got there about 10 minutes before they opened the door. The line was all the way to the Casino entrance waiting to get in. I stayed in the car for another 20 minutes finishing my coffee before going in.

Yes, swap meets are alive and well, and this one was packed with vendors! I actually was surprised at the turnout considering Wednesday through Friday that week Erie County had travel advisories and even a travel ban. Things were looking much better though by Sunday! (CONTINUED)
Just about anything and everything imaginable for your hobby car was for sale. Plenty of memorabilia, toys, petroliana, advertising and more. If anything else, it’s a great day to get out and see friends you have not seen since warmer weather.

Hey, you could even try your luck at the Casino, or try out their buffet.

The swap meet made my day, much better than watching the Patriots........

Every year Andy enjoyed writing a Christmas poem. To carry on the tradition, we thought we'd re-run a poem from a previous year.

'Twas the Night before Christmas
And all around Town,
More people were happy
As generosity was abound.

Individuals and Car Clubs
Worked hard all year
To raise money
For Holiday Cheer.

Car Guys and Gals
Have Very Big Hearts
They look to give Back
Rather than Just Buy Parts.

All Year they Raise Money
For Those Without,
They don’t Look For Praise
Just a Way To Help Out.

So When You Donate
To A Car Club or Show
Don’t Be Afraid To Ask
Where Do Your Donations Go.

Their Answer Will Give You
A Warm Feeling In Your Heart
Knowing That You
Have Done Your Part.

Knowing someone is Fed
Or a Child Gets a New Toy
That's The Meaning Of Christmas
Of Good Feeling And Joy.

MERRY CHRISTMAS FROM THE STAFF OF SHOW AND CRUISE NEWS

We took a ride out to Lane Automotive in Michigan back in May for their 31st Annual Lane Automotive Cruise-In and Car Show. We went to the event to run Bernie Bartella’s dragster along with seven other Nitro cars in a Cacklefest.

Friday evening brought out nearly 120 cars for the Open Header Cruise through Coloma and Watervilet. Saturday, nearly 1,000 classic, collector, and show cars were on-hand, representing every style and era possible.
